ABOUT

Attorney's Bar

Attorney's Bar is a legal platform that provides a variety of resources and opportunities for law students and professionals to stay informed and grow in their field. The platform shares news updates and organizes events such as Moots, Courses, Workshops, and several other competitions which allow the legal fraternity to gain valuable knowledge and experience. The courses and workshops cover a wide range of legal topics and are designed to deepen an individual's understanding and skills in a specific area. Overall, Attorney's Bar serves as a valuable resource for law students and professionals looking to stay current and advance in their careers.

Maharashtra National Law University - Aurangabad

The Maharashtra National Law University Aurangabad, one of the newly established NLUs, is located just outside the main city, spread over 50 acres and is set against the backdrop of lush green hills. The campus includes a freshly completed and functional 'Centre of Excellence' building, a frequently updated library, which is home to a near-exhaustive collection of books, a gym, a dining hall, student centres, open garden-like settings, 5 storey hostel buildings for both male and female students (to be completed in the coming months) and the provision of access to most of the renowned databases. This makes our NLU a force to reckon with and puts it on the path to achieve its objective of imparting quality legal education while stimulating the development of relevant auxiliary skills.

Centre for Alternative Dispute Resolution (CADR)

The Centre for Alternative Dispute Resolution is an initiative to promote academic research on themes pertaining to Alternate Dispute Resolution. The Centre strives to contribute to the vision and mission of MNLUA of developing human beings who are technically sound, socially relevant, and emotionally strong by imbibing the skills of ADR methods like active listening, understanding other's points of view, discussions, empathy, rational thinking and community interest.

Indian Institute of Arbitration & Mediation (IIAM)

IIAM Mediation and Conciliation is based on the Mediation Rules published by the Indian Institute of Arbitration & Mediation (IIAM), which is intended to help parties and mediators to take maximum advantage of the flexible procedures available in mediation for the resolution of disputes quickly and economically. IIAM is a member of Asia-Pacific Centre for Arbitration & Mediation ("APCAM") and where the parties seek to resolve any international dispute under the IIAM Mediation Rules, they are deemed to have agreed to resolve such disputes as per the Mediation Rules of APCAM. This help the business community to resolve their international commercial and business disputes by mediation under a single set of Mediation Rules and with a uniform fee structure in all the APCAM member countries to minimize the hassle of adhering to different laws or fees of different institutions.

ABOUT THE COMPETITION

Attorney's Bar is collaborating with Maharashtra National Law University, Aurangabad, in order to organize the '1st National Mediation Competition, 2023'. Through this competition, we aim to encourage the students to utilize their advocacy, analytical, and social skills to come together and work as a team and draw suitable alternatives to achieve a win for everyone.

The competition is aimed to furnish a strategy that indicates the ever-growing expectation of clients to utilize other cost-effective option dispute resolution devices to trial. It is an excellent program to examine the theory in practice. It enables the participants to embody all parties in the mediation procedure, i.e., the client, the mediation counsel, and the mediator.

This competition will also furnish an alternative for the participants to formulate the requisite lawyering and communication skills through several training sessions administered by business professionals. We are thrilled to start this tradition and make history with this edition.
