# ABOUT NMT 2023

20 – 22 January 2022

---

The NALSAR NMT aims to promote mediation and negotiation skills among students in India. This tournament serves the purpose of popularising mediation as an alternative dispute resolution method as well as career prospects for budding lawyers and law enthusiasts.

NMT 2.0 is scheduled for the third week of January (**20–22 January, 2023**), where teams representing leading Indian and International law schools will compete against each other in an exciting

league format. After two years of COVID-19 restrictions, we're excited to bring back the NALSAR tournament in person.

Our vision for the NMT is to make the tournament a great learning experience while ensuring that it remains accessible to a diverse range of ADR enthusiasts. The aim of the competition is not only to give a platform to budding lawyers to showcase their ADR skills but also to bolster the engagement of the legal community with ADR across the globe.
